WEBSITE DEVELOPMENT & ECOMMERCE SPECIALISTS

At M34, we specialise in creating engaging and functional websites that drive business growth. As official Shopify Partners, we build high-quality ecommerce solutions, along with bespoke Web Design services, to help you stand out online.

WHO ARE M34?

M34 is a leading web development agency based in Manchester, known for innovative designs and robust ecommerce solutions. We work with businesses across all industries, focusing on delivering exceptional user experiences.

With years of experience in web development, we've collaborated with a diverse range of clients, from startups to established enterprises.

We believe in a customer-centric approach, tailoring each project to meet the unique needs of our clients.

WEB DEV SERVICES

1. Web Design

- Custom Designs: Our team creates bespoke website designs that reflect your brand identity and engage your audience.
- Responsive Design: We ensure your website looks great and functions seamlessly on all devices, from desktops to mobiles.
- User Experience (UX): Our focus on UX ensures intuitive navigation, clear calls-to-action, and engaging content.
- Visual Impact: Our designs are crafted to capture attention and leave a lasting impression.

2. Ecommerce Builds (Powered by Shopify)

- Shopify Expertise: As official Shopify Partners, we build ecommerce websites that are secure, scalable, and easy to manage.
- Custom Functionality: We implement custom features to meet your specific ecommerce needs, such as product recommendations, discount codes, and advanced analytics.
- Secure Transactions: We ensure your online transactions are secure and comply with industry standards.
- Growth-Ready Solutions: Our Shopify-powered ecommerce builds are designed to grow with your business, supporting expansions in product range and market reach.

OUR PROCESS

- 1. Consultation & Planning:** We start with a thorough consultation to understand your business goals and target audience.
- 2. Design & Development:** Our designers and developers work together to create a website that meets your requirements and reflects your brand.
- 3. Testing & Quality Assurance:** We rigorously test every website to ensure it is bug-free and performs as expected.
- 4. Launch & Ongoing Support:** We assist with launching your website and provide ongoing support to ensure continued success and adaptation to changing needs.
